

## 2015 SATs Results

Well done to all the children on their SATs results this year, we are very proud of all their achievements and that many children achieved their personal best.

Over the last three years we have seen an upward trend in our results at both key stages especially for the the number of children achieving above national standards. This is only possible through the hard work and dedication of the staff, pupils and parents whose collaboration supports children's achievements.
