Make a word search in your Learning Log that uses twenty of the statutory spellings in it.

We've discussed how it is important to not just copy a spelling each time: Look, Say, Cover, Write, Check! You need to explain to an adult *why* you need to practise spellings this way.

So when you are creating your wordsearch, do it without just copying the spelling words – memorise them first and check them. We need to use these spellings *in* our writing!
