8th November 2022

Dear parents/carers

The school council have worked to improve the schools' rewards systems. They have linked together all the procedures we were currently using and have come up with the model below.

INDIVIDUAL

Children will be awarded house points for any behaviour/work that is seen as being above expectation. Once they have accumulated 50 house points they will receive a SILVER Award (Staff can still award SILVER for exceptional attitudes/work). Once they have achieved 3 silvers they will receive a GOLD Award. 3 golds will result in a Merit Badge and 3 MERIT badges will result in a super badge.

COLLECTIVE

Each week monitors will record how many house points each team has collected and we will announce a weekly winner during the Friday Review Assembly. We will also keep a record of how many have been accumulated across a term to award the House Point Cup during the final week of each half term.

I hope all of this makes sense, well done to the children of the school council for generating this model and we look forward to awarding those pupils who deserve it

Kind regards

Paul Hampson
Assistant Head Teacher
