

Week Beginning: 10th September 2018

# Year 2 Home Learning

**Note to Parents** -The children have settled in beautifully to Year 2 and we are delighted with the work they have produced already.

Each week we expect all children to do the following:

- Read their reading books at home
- Complete spelling tasks. This is so that the children do not just learn the spellings for the test but they are able to apply these spellings in their independent work.

## Job 1

### Reading

Please read to a grown up for a short time every evening. **Ask an adult to question you about the book to check you understand what you have read. Can you find the answers in the text?** Parents please complete a section of the reading record.

## Job 2

### Spellings

All groups please learn the following spellings:

|           |          |
|-----------|----------|
| Monday    | Tuesday  |
| Wednesday | Thursday |
| Friday    | Saturday |
| Sunday    | one      |

We will have a test next Monday.

## Job 2

We are really enjoying learning all about the children and what they like to do in their spare time.

In your home learning book write a few sentences about yourself. It could be about any pets that you have. It could be about who you live with or even what your hobbies are.

Remember when writing you need capital letters, full stops and finger spaces.

Here is an example to give you an idea:

My name is Mr Williamson and I am a teacher at Whartons Primary School. I live in Rawdon with my husband and our two little girls.

In my spare time I enjoy going to the cinema and watching films. My favourite films are the Marvel ones. I love the Avengers.

I really enjoy playing my guitar and I often draw and colour with my eldest daughter who is 7 years old.
