Dear Parent,

“We are passionate about supporting young people from across the city and surrounding areas, providing a safe and inclusive environment and encouraging people to access alternative sport at an affordable price”

LS-TEN is a new organisation responsible for running the Skatepark in Hunslet (previously the Works). As an Alternative Education provider, we understand the challenges that many children face during school breaks. At LS-TEN we offer a safe space that encourages positive social interaction and physical activity.

With that in mind, throughout Easter School Holiday we are offering a large number of discounts for children from across the city.

Under 8 year olds mini rider sessions and Open Sessions

Throughout the School Holidays LS-TEN will be running coached Under 8s ‘Mini Rider’ sessions every day between 0900 – 1000 hrs. The sessions help to build confidence and get children active while developing their skills and safety awareness. Mini Riders is followed by an open session in the park between 1000 – 1700 hrs, suitable for more experienced skatepark users. More details can be found on our website and social media.

School Discounts

We want to encourage all children to engage in physical activity and try new sports, so we are offering discounts for schools to pass onto their children. Please speak to your child’s school for details.

We will provide each school with a discount code to provide vouchers leading to reduced entry prices.

If schools wish to access these discounts please email carlharrison@ls-ten.org

LS-TEN also deliver a free-sport camps through school holiday periods, if you want more information on these camps please see our website: www.ls-ten.org or our social media pages on Facebook and Instagram alternatively email rupertcowie@ls-ten.org

Kind Regards

Carl Harrison
