15th September 2022

Dear Parents and Carers

We have a new significant peanut allergy in school and in line with Health and Safety considerations we need to adopt a 'nut free' status at school. This means no nuts in snacks or packed lunches please.

Please check the ingredients list for any food items for the statement 'contains no nuts' before sending to school. Cereal bars in particular can contain hidden nuts and we ask you save these snacks for home.

I know you will agree with me that the safety of our children and community are paramount and thank you in advance for your care and consideration in this matter.

Yours sincerely

Julia Dickson

Head Teacher
The Whartons Primary School
