Dear Parent/Carer

Your child has been allocated to **Year 6 group B.** The members of staff for your group are Mrs Kettleborough and Mrs Hughes.

For this group your entry gate will be through the **back car park** where you will drop your child off. If there is a queue please stand 2m distances from other families.

Your child will then walk around the Y6 class room and line up outside the Y5 classroom fire door, one child next to each cone (2m spacing) where the member of staff will collect them and take them inside to wash hands.

Your child's drop off time is **9.00am** and you will need to pick your child up at **3.15pm** (unless you have given permission for your child to walk home themselves). If your child is walking home alone please remind them to keep a 2m distance if walking with friends and to go straight home and not stop off to play with others or at the park; we will do the same.

Please send your child with a full water bottle and packed lunch if they are not having school meals. Your child will also need snacks for break times as there will be no tuck shop.

Please order a school lunch from the office if you wish.

Please ensure your child has freshly laundered clothes on each day, these can either be school uniform or other school appropriate garments.

Please ensure your child has washed their hands before leaving home and has a supply of tissues in their pocket/bag in order to catch and bin any coughs or sneezes.

We are looking forward to welcoming your child/ren back to school.

Yours sincerely,

Julia Dickson
