3rd October 2016

Dear Parents/Carers,

Our parents evening for the Autumn term will run on Tuesday 11th October 3.30 – 7.00 pm and Thursday 13th October 3.30-5.30pm.

The focus of these 10 minute consultations will be looking at how children are settling in to their new classroom environment and ways you can support them at home.

Please complete the slip below with your preferred times, it will help our organisation if you can be as flexible as possible with your choice.

The slip should be returned to school no later than Monday 10th October so that appointment times can be sent to you as soon as possible.

Parents of children with SEN will need a longer or additional meeting in order to fully discuss individual support plans, please contact your class teacher to arrange.

School run clubs will not take place on Tuesday 11th or Thursday 13th.

Yours sincerely,

Mrs Carolyn Gomes
Deputy Headteacher

October Parents Consultation Evening
